"Solli was not only **engaging** but incredibly **thought provoking** and inspirational. Considering it [cultural diversity] was a sensitive subject delivered to government officials, Solli **hit the right balance** of addressing the issue, but leaving us with a real **call to action**. Solli is a delight to work with. He is astute and wise beyond his years. With a short brief of what we were hoping to achieve, Solli's closing presentation **took the whole event to another level**.
