# REDEFINING the possibilities for a **YOUNG** person.

Solli Raphael is an award-winning author, poet, advocate, acclaimed keynote speaker, former ambassador to many charities and non-profits, and a founder and director of two organizations.

Solli has led workshops, performed, and spoken at hundreds of events; on six continents and across over 150 countries. From primary school students to aged-care residents, community projects to Fortune 500s, he has worked with people of all ages, career statuses and life circumstances to break limiting barriers, enhance connection and collaboration, and fast-track radical change.

Named an icon of 21st-century poetry, Solli has broken barriers in making poetry more accessible and relatable for everyone. His poetry has racked up critical acclaim and awards, been featured in university textbooks and documentaries, and on over 50 radio and TV appearances. Solli's poetry and poetry performances have been seen by A-list celebrities, global CEOs, multiple prime ministers, members of the Royal Family, and a quarter of the global population.

Solli has authored three books of his own, which have received accolades for their capacity to engage children and teenagers in poetry and social concerns. His debut book *Limelight*, and his second book, *Spotlight*, were published in 2018 and 2020, respectively. Shortly after publication in North America in 2019, *Limelight* won a prestigious Nautilus Book Award for contributing to social change. His latest book is *29 Things You Didn't Know About Me*.

Solli is also the founder and director of Earth Enablers; an inclusive environmental conservation organization aimed at creating a future of equality, transparency, and sustainability; World Of Poetry; a collective designed to amplify the voices of poets; and the creator of *The Best Part*; a social movement utilizing the power of words to spread positivity.

is one **spectacular show**  
about to begin...

From his first moment in the spotlight to his last, Solli makes sure that the entirety of each presentation is supercharged with transformational energy and immersive engagement to leave his audience inspired and moved. # Transforming Events

"Solli was not only **engaging** but incredibly **thought provoking** and inspirational. Considering it [cultural diversity] was a sensitive subject delivered to government officials, Solli **hit the right balance** of addressing the issue, but leaving us with a real **call to action**. Solli is a delight to work with. He is astute and wise beyond his years. With a short brief of what we were hoping to achieve, Solli's closing presentation **took the whole event to another level**. I look forward to working with him more in the future and watching his career progress. He has a clear purpose and I hope his message spreads further - more people need to hear it."
